

Ken Seagers 25.04.38 – 01.03.13

Professed in 2002, Ken was a member of the SE London Group and was Convenor from May 2008 until his death in March. Prior to becoming Convenor he was webmaster for the TSSF site. He was generous to a fault, modelling Franciscan simplicity at much cost to himself and often causing concern amongst his friends. He always trusted that “The Good Lord will provide” and indeed often told us exactly how God had done just that. He will be greatly missed, particularly by the members of his local group.
