

SAINT
FRANCIS
STILL INSPIRES
US TODAY

The Third Order, Society of Saint Francis is open to men and women, ordained or lay, married or single, over the age of 18, who believe that God is calling them to live out their Franciscan vocation in the world. While committed to family responsibilities and engaged in the ordinary tasks of life, the Third Order offers a life of challenge and support for

those called to a deeper commitment to Christ, their Lord and Master, and to a life under vow.

There are members of the Third Order in many countries, with over 2000 currently in Areas and Local Groups throughout the UK, Ireland and Sweden, representing the European Province of the Order.
