

A short note of endorsement for the nominated candidate Christopher John Wren

I am very pleased to nominate Christopher Wren for the office of Link Tertiary for the Scotland and Ireland Cluster. Christopher has the skills, energy and enthusiasm for the tasks outlined in the job description. He will be willing and able to attend to the duties as a Chapter member and Trustee of the Third Order of the Society of St Francis. Given his personal history, he will have no difficulty preparing written documents & reports as required, nor in speaking to and representing tertiaries throughout the Cluster. I am confident that learning the needs, challenges and aspirations of being a dispersed community over a wide geographical area will interest him. Also Christopher will enjoy the travel opportunities and will wish to visit throughout our two countries when it is appropriate and will want to meet tertiaries working, praying and living in Ireland and Scotland.
